

School Mission

A CHIJ School is a Christ-centered school community where all work together for the promotion of truth, justice, freedom and love, with special reference to the needs of students who are disadvantaged in any way.

School Vision

Girls of Today for Tomorrow

Principal's Message

A Blessed New Year to all our staff, students and parents!

I would like to warmly welcome our Primary 1 students and their parents to our CHIJ OLN family; and to welcome all our Primary 2 to 6 students and their parents back to school in this new academic year.

It is with great joy and blessing that I join the family here at CHIJ Our Lady of the Nativity (CHIJ OLN). An IJ girl myself, I had the privilege of experiencing the IJ education in primary and secondary school. Grounded in

values and Catholic teaching, the 10 years of IJ education has indeed played a major part in making me who I am today. As an educator, I began my teaching experience back at my alma mater, believing strongly in wanting to share the IJ experience and culture with future generations, and allowing the IJ spirit to live on.

The theme for 2025 is “*How good and pleasant it is when people live together in unity!*”

Guided by our vision, mission, values and motto, the school will focus on developing collaborative relationships among students, staff and parents. In tandem with the theme, values such as love, patience, understanding and harmony will be reinforced as an extension of the school's GRACIA values.

As one CHIJ OLN family, we will provide the opportunities and experiences for our students to develop holistically and to stretch their talents and achieve their potential across the various domains. We look forward to working together with all parents and community partners to give our students the love, care and support they would need as they journey through 2025 and beyond.

As a school committed to quality education, we strive to develop “Girls of Today for Tomorrow”. I invite all parents to embrace our theme for 2025, and to work in collaborative partnership for the future success of our girls.

I wish you a happy and blessed 2025. May your homes be filled with love and grace in the coming year.

**Your partner-in education,
Mrs Karen Tan
Principal**

School Smart Card (SSC) for P1 and P6 students

MOE will be conducting the yearly photo-taking exercise for all students in Primary One (P1) and Primary Six (P6) for the purpose of generating the School Smart Card (SSC). The photo-taking will be conducted by SimplyGo Pte. Ltd. (SimplyGo)'s appointed vendor on behalf of MOE. The SSC serves as the student's identification card and can be used for concessionary travel on public transport and to borrow library books from the National Library Board and the school's library, amongst other usage.

The photo-taking session for P1 and P6 students will be conducted during school hours from 13 - 14 January 2025 (Monday - Tuesday). Your child's Form Teacher will inform your child of the schedule by Friday, 10 January 2025. Your child will need to be in her school uniform (i.e. school blouse and pinafore) for the photo-taking session. If she has a PE lesson that day, please ensure that she has her school blouse packed in her school bag. Do ensure that your child's hair is neat and tidy.

P1 students should be able to get their SSC by April 2025. For P6 students, the photo taken that day will be used for the

SSC issued in 2026 when she goes to Secondary 1. For P1 students, while pending the receipt of the SSCs, they can continue to use the Child Concession Card for free travel on public transport until 30 April 2025.

School Organiser

Each child will be issued a School Organiser by Monday, 6 January 2025. All parents are encouraged to browse through the organiser to familiarise themselves with the information it contains. The School Organiser can also be used to communicate with your child's teachers. Please remind your child to keep it safe as there will be no replacement for lost or damaged organisers.

Inculcating a Sense of Responsibility Reminder

Please do not bring books, bags, money etc., at the request of your child. Should your child forget to bring the items for that day, all she needs to do is to highlight the fact to her teachers. The teachers will do the necessary to ensure that she is able to participate in the lessons.

We seek your cooperation to inculcate in our students the need to be responsible and take ownership of their learning in school.

Birthday Gifts and Goodies Reminder

This is a reminder that the school does not accept goodie bags or food items from parents to be given to a child's classmates for birthday or other celebrations.

Updates for 2025 Reminder

School Hours and Punctuality

Please note the official school hours for 2025:

Mondays - Fridays: 7.30 a.m. - 1.30 p.m.

Assembly will begin promptly at 7.30am, and students who are not with their class for assembly at 7.30am will be considered late. As such, please ensure that you factor in time taken for your child to get to her class by 7.30am so that she can be with her class punctually.

The Use of Handphones and Smartwatches

Students are not encouraged to bring digital devices like handphones and smartwatches to school. However, if you require your child/ward to bring such a device to school, you would need to complete a Request Slip which will be sent out through Parent's Gateway in January 2025.

Should your child/ward bring a personal digital device like a smartwatch / handphone to school, it would need to be switched off so long as she is within the school premises. She would not be allowed to use it during school hours which include recess, CCA and after-school programmes e.g. supplementary/support/enrichment lessons. This means she would not be allowed to use these devices to make/receive calls or texts, take pictures or make any form of recording.

Attendance

All students are expected to attend school daily during the school terms. Attendance is compulsory on all school days, functions and activities. Students who are absent must inform the school of their absence and present medical certificates or letters from parents/guardians when they return to school.

The school will accept a maximum of 10 letters from parents/guardians per year for their child's/ward's absence from school.

Students will be considered absent without valid reason should they go for holidays overseas or staycation during school term as curriculum time is important.

Safety Matters

Keeping CHIJ OLN a Safe Environment for Students

We seek your support to keep our school a safe environment for students:

- If your child is unwell, please ensure that she stays at home and seeks medical attention if necessary.

- If your child has a communicable disease e.g. Covid-19, Hand-Foot-Mouth Disease and Chicken Pox, please inform the school immediately.
- Do let us know if your child has recently been vaccinated against Covid. This would help us ensure that she does not participate in the PE classes / Sports CCAs for 14 days after the vaccination.
- Mask-wearing for staff and students in school is optional. However, if your child is recovering from respiratory-related illnesses, please encourage her to exercise social responsibility e.g., by wearing a mask, by minimising social interactions with big groups.

We appreciate your support and will continue to work with you closely to keep all students safe. Let us all do our part to exercise personal and social responsibility.

Being Gracious & Considerate - Reminders on Safety

While waiting for your child at the gates, do give way to other care-givers if your child is not due for dismissal yet. We also seek your understanding and help not to block access to / from the overhead bridge and the passageway connecting the open-air carpark next to Block 466A to the bus stop.

Do help us to convey this message to your child's caregivers e.g. grandparents, helpers etc. if they are the ones picking your child. Let us use this as an opportunity to role model the value of graciousness to our children.

Should your child be driven to/from school, please do note the following:

- Get your child ready a few minutes before alighting and enter/exit the car quickly so as not to hold up the cars behind
- Not stop along Upper Serangoon Road especially at the bus-stop outside the school
- Not sound the horn so as to be considerate to residents in neighbouring blocks. A little patience goes a long way. Let's all be gracious as there is no need to respond in kind.
- Drive carefully so as to ensure the safety of students and others. Please note there can only be one line of cars once your car enters the HDB carpark (or the school in the mornings).
- If you need to leave the car, please park in an allotted space in the HDB carpark.
- The HDB carpark is most crowded 10 minutes before/after assembly and dismissal. Do adjust your drop-off/pick-up time accordingly.

CHIJ OLN has 1440 students and as such, there are large numbers of cars, caregivers, and children coming in and going out through our gates each day. Let us always be good role models for our children and their friends.

Temperature-Taking Exercise

As part of our measures to ensure your daughters' safety, we need all students to be familiar with the temperature-taking process. As such, there will be a temperature-taking exercise on **Wednesday, 15 January 2025**.

Please ensure that your child brings her personal Oral Digital Thermometer (ODT) daily. All P1 pupils will be given an ODT issued by MOE.

Students' Accident Protection Scheme for 2025

MOE has continued to engage Income Insurance Limited to manage the Students' Accident Protection Scheme for 2025. The insurance policy provides accident coverage related to school activities and/or co-curricular activities. The insurance premium is borne by MOE. You can refer to <https://www.income.com.sg/group-insurance-for-schools-and-centres-and-moe> for more information on the coverage.
